**PUBLIC NOTICE**  
**UNIVERSITY OF ALASKA**  
**EAGLE AIRPORT SUBLEASE DISPOSAL PLAN**  
**EAGLE, ALASKA**

The University of Alaska (“University”) intends to enter into two subleases for research purposes within an existing University lease area located on the Eagle Airport. The subleases will be on an approximately 2,500 square feet portion of the University’s lease area. The sublease terms will run concurrently with the University lease term. All rents collected for the subleases will be applied to the annual lease fee.

Parties interested in commenting on this disposal plan must submit written comments to the University through its Facilities and Land Management department by fax at (907) 786-7733, by email at [ua-land@alaska.edu](mailto:ua-land@alaska.edu) or at the address listed below, by no later than **5:00 P.M. on Monday, June 11 2018** to be considered.

This disposal plan is effective as long as the University is leasing this property.
